Director, Chaverim

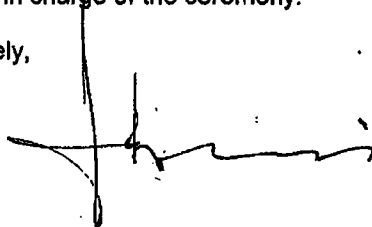

Dear Sir:

I hereby give you notice that the site proposed for the burning of the bread ceremony – piece of land west of the corner of Durocher and Beaubien – must be the one used on Monday morning.

This morning, the members of the Borough council of Outremont were informed about our meeting yesterday. The members consider that the previous site used last year for the ceremonial is inappropriate since there is a new residential building with 44 units just across the street.

As I have informed the officers in charge at the SIM and SPVM, I asked you now to inform the people in charge of the ceremony.

Sincerely,

Pierre A. Chapuis, arch., FIRAC
